

A Workshop On Visual Learning in ADD

August 29, 2011

**10:00 a.m.
to
12:00 p.m.**

**Guest Speaker:
Stephen J. Kaluzne
O.D., P.A.
The Visual Learning
Center**

**A workshop about
learning-related
vision problems and
how to test for and
identify them.**

**More than 20% of
students have
vision problems that
interfere with learning.**

**Common visual
limitations can make
reading an ordeal and
are often found in the
early grades.**

**Please call to register
910-643-6995
or
910--396-8682**
